Play

Fitness bracelet designed to monitor sporting activities with pedometer, indicator of distance travelled, calorie counter, alarm and sleep controller. Also available with heart-rate monitor (cardio fitness). In order for your smartband to connect to your smartphone, it must be paired first via Bluetooth. It is equipped with a rechargeable battery of 50 mAh with duration of more than 15 hours in stand-by, and is resistant to occasional water or rain exposure. Can be personalized with the company logo on the metal plaque on the strap via laser engraving.
