# Action Cam Ride

Action Cam available in two versions, with Full HD resolution (1080p) or Ultra HD (4k), equipped with a 2-inch LCD screen, a 900 mAh battery with a 6-hour battery life, and a micro USB port for charging. Ideal for video shooting in sporting activities and outdoor activities in general, this Action Cam lends itself to many uses and has 12 to 18 accessories included for attaching to helmets, bikes, motorcycles, cars and other surfaces. The set also includes a waterproof case for underwater shooting. The 4k model is equipped with integrated Wi-Fi connectivity with which you can transmit videos and control them remotely, directly from your smartphone. This Action Cam can be customized with a company logo in silk-screen printing and the minimum order starts from just 100 units.
