# Power Bar

Table-top Power Bank consisting of a plastic base housing two USB ports for the simultaneous recharging of multiple devices, topped with a back-lit display panel, which is ideal for promotional or advertising use. This Power Bank is particularly suited to outlets or trading establishments in the restaurant and catering world to display menus and price lists. The paper card, which you insert in the Plexiglas panel, can be customized using CMYK printing on both sides. The Power Bank is available in three capacity ratings, 6,000 mAh , 8,000 mAh and 10,000 mAh.
