Card Speaker Bluetooth

Mini speaker with dimensions similar to those of a credit card, 4 mm thick, lightweight and portable. Equipped with 4.0 Bluetooth, 2W of power and integrated, rechargeable 300mAh battery. Both sides of this product can be customised with a logo and graphics using serigraphy or four-colour printing. Despite its very compact dimensions, the sound of this speaker is clear and powerful. There is also a practical hole to which you can attach a tie or other accessories that allow you to attach it to a keyring, bag or backpack, rendering it the perfect gadget for travelling and outdoor activities.
