Power Ticket 3in1

A 4000 mAh Power Bank and 1A output, connector with dual Micro and Lightning function and Type C adapter. It is ultra-thin and is perfect as an emergency charger to keep in your pocket or bag. In order to connect it to your phone, you do not need cables because the Type C and Lightning connectors, located in the frame, pull out on the side and are ready to be used. It features significant space for printing and is perfect for printing company logos or graphics. Power Ticket is customisable with silk-screen and CMYK printing.
