Zeta Priority

Powerbank with a plastic body, 3000 mAh battery and USB port with 5V/1A output. It can be shipped in only 24 hours in its neutral version and in 48 hours in its personalised version thanks to the speedy delivery system*. Its surface is about half the size of a smartphone; this is why it's perfect for carrying in a bag or pocket when you need to charge your phone outside the home. Its value for money is also appealing and it could be a great promo gift, even for those on a reduced budget. The white frame is customisable on both sides with digitally-printed logos and designs.

Product code
PB901

Materials
Plastic.
