# Buddy

Wireless Bluetooth ear buds featuring True Wireless Stereo technology and case with magnetic induction charging base. The 5.0 Bluetooth version provides a stable signal and a 10-metre transmission range. Their main feature is ease of use: just connect the headphones to the smartphone via Bluetooth in a single step to start listening. The 35 mAh battery of the charging station guarantees up to 5 hours of non-stop phonecalls and music. The external parts of the earphones and the case are customisable with silk-screen and CMYK printed company logos
