Eye

3W Bluetooth speaker in concrete, with internal 500 mAh rechargeable battery and 4 hours of autonomy with continuous listening. The Bluetooth 5.0 version ensures coverage of 10 metres. The shell is grey in the natural colour of concrete and the surface has a slightly rough texture reminiscent of industrial design. The USB cable for charging the internal battery is also grey like the case. The speaker can be customised with company logos in digital printing. Another strong point is the delivery time: it is shipped from our premises within 24/48 hours from order confirmation, and delivery takes place in 24 or 72 hours depending on the destination.

Product code
SP902

Materials
Concrete.

Delivery days
2

Front Customisation
Digital Printing.

Size
7,0 × 7,0 × 6,75 cm

Back Customisation
Digital Printing.

Left Customisation
Digital Printing.

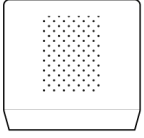

Packaging
Havana Box,
Personalizable
Havana Box.
