# Natural

5000 mAh Power Bank with bamboo and wheat fibre shell, two eco-friendly materials because of their low environmental impact. It features a standard USB port, a micro USB port and a Type-C with an input of 5V and an output of 2A. A bright LED indicates the battery charge level. This power bank can be customised on both sides with logos in digital printing and laser engraving. Another strong point is the delivery time: it is shipped from our premises within 24/48 hours from order confirmation, and delivery takes place in 24 or 72 hours depending on the destination.

Product code  
PB904

Materials  
Bamboo + Wheat.

Delivery days  
2
