# Balance

Digital personal weighing scales with Bluetooth 4.0 technology. It works with the Scale Up application that allows you to track your weight, body fat, water, muscle mass as well as assess your fitness and nutrition status. Balance measures a weight range between 0.2 kg and 180 kg, is equipped with a LED screen and is made of ABS and tempered glass. Available in black and customisable with laser engraving. Two AAA batteries, not included.
